Berklee Five-Week Directors  
Berklee College of Music  
1140 Boylston Street  
Boston, MA 02115

Dear Berklee Five-Week Directors,

I believe Berklee generates the world's greatest musicians and leaders. Being a student in the Berklee environment, I can say with confidence I can become whatever I want if I set my mind to it. Arriving at this realization was only possible because of the strong support around me. I believe that teachers and mentors cultivate the great musicians of the world, and some of the best mentors and teachers teach at Berklee.

In these times, I feel and see the necessity of more leaders and mentors to inspire young musicians and help them prepare for their future careers. Being a young musician, I understand what it's like to be in their shoes, and because of the musical experiences I've had, I know I have so much to offer them. I have had the privilege to work with and assist Musical Director and keyboardist, Kim Burse (Beyonce, J-Lo, Ciara etc.) for BET network's Black Girls Rock. I have also had the experience of performing several shows with Beyonce's Original All-Female band in New York and Boston. I have worked with Grammy Award winning pianist and composer Robert Glasper, performed with Lalah Hathaway, Gloria Estefan, Michael McDonald, and perform with my own band locally. I am also the musical director and vocal coach for Fellowship Christian Church in Boston. Being mentored by these industry greats has taught me some of the "up's & down's" of the music business, and has given me wisdom that I feel every young musician should have as they venture out into the professional music world for themselves.

Being a Berklee Five-Week alumnus, I know what a life-changing experience it was to have experienced mentors impart knowledge to me and allowed my musical inspiration to flourish. I feel that because of my understanding of the Five-Week Program, I know what areas I could best serve in. My forte is ensemble directing, (based on my vast experience leading numerous ensembles and groups), and teaching beginner-to-intermediate piano lessons, and vocal lessons. I know now that the reason I lead and teach is because I love to see musician's blossom into their full potential.

It would be great to schedule an appointment and meet you all in person. Hope to see you soon.

Best Regards,  
Briana Washington
